Re: ANTI-DEFAMATION LEAGUE

b7D

[redacted] Omaha, a retired  
[redacted] has been employed for some time by the local  
Anti-Defamation League as a part-time investigator. I have known  
him for about six months and have found him to be sincere.

On August 22, 1940, he called at the office, and in the  
course of his conversation said that he had been instructed by  
DAVE BLACKER, one of the leaders in the local Anti-Defamation  
League and the publisher of the Jewish Press at 534 Brandeis Theatre  
Building, Omaha, never to disclose to the FBI or any other source  
that he is so employed. BLACKER gave as his reason that the  
Anti-Jewish element has accused the Anti-Defamation League of  
having private investigators, and the Anti-Defamation League does  
not wish it to become generally known that they do employ private  
investigators.

Very truly yours,

Re: National Defense  
General

Dear Sir:

Reference is made to the letter addressed to this office from the Chicago Office, dated August 23, 1940, with which there was transmitted a list of names submitted by SAM SIEVERS, representative of the Anti-Defamation League in St. Louis, to MILES M. GOLDBERG of the Anti-Defamation League, Chicago, Illinois, and, in turn, furnished to the Chicago Office.

A review of the information contained in this list indicates that a part of it was furnished by RICE A. PIERCE, formerly employed by Anheuser-Busch, Inc., St. Louis, Missouri, and an informant of SAMUEL I. SIEVERS, Jewish attorney and Chairman of the Anti-Defamation League, Boatmen's Bank Building, St. Louis, Missouri. Over a period of many months, PIERCE has submitted several hundred written reports to this office regarding persons suspected by him of un-American activities.

Although RICE A. PIERCE comes of a rather prominent family, he is regarded as mentally unbalanced by agents of this office who have contacted him. It was Mr. SIEVERS who originally referred him to this office in order that we might have the benefit of information furnished by him. A great majority of this information, on the face of it, is evidently unreliable. However, some of the information contained in the list furnished by Mr. SIEVERS may be regarded as fairly accurate, as indicated by the files of the St. Louis Office.

Please be advised that PIERCE died at St. Louis, Missouri, on July 17, 1940.

Re: Anti-Defamation League  
| Contact Lists.

Arrangements were made with Mr. Miles Goldberg, Secretary of the Anti-Defamation League, B'nai B'rith, Chicago, Illinois, to make available to the Bureau the names and addresses of their personal contacts and sources of information throughout the United States.

Accordingly, transmitted herewith to each field office in the United States, as well as the Honolulu Office, are the names and addresses of those contacts located in the districts covered by the various field offices. The Bureau was previously furnished two copies of the complete list referred to above.

Mr. Goldberg has advised that the persons named in the lists will cooperate with representatives of the Bureau in any way possible and will make available any files in their possession; also, if requested would endeavor to secure information on individuals in whom a particular field office is interested.

Dear Sir:

Please be advised that I recently had lunch with SAMUEL I. SIEVERS, Attorney, President of the Jewish Coordinating Council of St. Louis and local representative of the Anti-Defamation League, for the purpose of discussing matters of mutual interest relating to the National Defense in order to obtain his full cooperation in reporting matters relating to National Defense. The lunch was had with him upon his invitation and he was very commendatory in his remarks about your program relating to National Defense matters. He has continuously cooperated with the St. Louis Office in reporting matters relating to espionage, sabotage and subversive activities and has submitted such complaints directly in writing to this office.

I feel certain that his full cooperation can be depended upon.

Very truly yours,

Dear Sir

I am transmitting herewith copy of a communication turned over to the writer by Miles M. Goldberg, which was received from Robert S. Greenfield, who is the representative of the Anti-Defamation League in New York City. It is believed that this communication is self-explanatory.

Mr. Goldberg inquired as to whether the writer would have any objection to turning such information over to the office of the Immigration and Naturalization Service and the jurisdiction of this Office in the field of national defense was pointed out to him. It was also pointed out, however, that in the event there was any information contained in the files of the Anti-Defamation League which they felt would be of interest to a matter falling within the jurisdiction of the Immigration and Naturalization Service, that, of course, the writer would not advise against such action.

Very truly yours

To: Miles M. Goldberg  
From: Robert S. Greenfield  
Date: September 9th, 1940

I had a long talk with one of the officials of the Department of Immigration. They have recently been instructed, by Washington, to cooperate with the other government agencies in combatting fifth column activities. They are now seeking evidence on any individual who is still an alien, who has been engaged in subversive work, so that they can recommend the refusal of citizenship papers, when, as, and if, these people come up for such application.

The recent legislation with reference to the registration of aliens has sent a great alarm through the ordinary ranks of the members of the ODWU. Many of them are beginning to realize for the first time that belonging to a questionable organization will jeopardize their chances for either obtaining citizenship or maintaining their jobs.

Inasmuch as the proof as to the character of the ODWU and Hetman organizations, now in the hands of the FBI, is sufficient to show that these groups are definitely tied up with the German Nazi government, I believe it would be a good idea to submit the names of whatever members we have on file to the Immigration authorities, so that they can take proper action. After all, the FBI can only keep the information on file until such time as circumstances make action necessary.

The Immigration Bureau, however, can act effectively now. I am, therefore, submitting the names of those individuals within the New York area and have received a promise from the authorities that they will take action immediately.

Another good purpose will be served when the word spreads through the groups that the United States Immigration Department is investigating them. This will undoubtedly cause wholesale resignations and either completely crack the groups or sap them of much of their strength.

Dear Sir

I have been advised by Miles M. Goldberg of the Anti-Defamation League that there is supposed to be an important Nazi conference to be held at Lander, Wyoming, sometime in the immediate future.

Mr. Goldberg states no further information is available concerning this matter and this is being furnished your Office for whatever attention you might deem appropriate.

REPORT In the extraordinary thoroughness of the Anti-  
Defamation League's organization neither effort nor expense  
is spared to bring its files to the highest possible state  
of perfection.

"One of its most successful efforts has been a confidential  
letter to all professional men and women members of the B'nai  
B'rith - doctors, dentists, lawyers, etc. Each recipient has  
been asked to pay special attention to the friendly or  
unfriendly attitude of the people with whom he comes in con-  
tact. Reports were requested concerning any instances, large  
or small, where religious intolerance had been shown. The  
results went beyond the best expectations.

"Special investigation work has been brought to a very high  
point. The F. B. I. cooperates closely, as do the Army and  
Navy intelligence. It is reported that a certain number of  
F. B. I. men have been taken into the A. D. L. for coaching on the  
finer points of investigation work that have been developed by  
the voluntary organization."

WYTHE WILLIAMS HAS AMAZING RECORD  
FOR BREAKING SENSATIONAL STORIES

They say of Wythe Williams, Mutual news analyst, that "he gets it first and gets it right," in view of his astonishing ability for pulling newsbeats out of the summer air and presenting them to Mutual listeners. Williams' newsbeats are of two kinds. He breaks many sensational stories of what already has taken place behind the banks of regular newsmen. But more often he tells the story before it happens. He crawls way out on a limb and makes startling predictions of what will take place in the future. To date 96% of all his predictions have come to pass.

Nobody has ever made a record of all Williams' newsbeats, but there are many of them. Below are four outstanding ones scored recently which have been acknowledged in the nation's press:

GOEBBELS HORSEWHIPPED...On December 28, 1938, Williams, then editor of "Greenwich Time," broke the news that D. Joseph Goebbels, German Propaganda Minister and Number 2 Nazi, had been horsewhipped by an indignant husband whose wife Goebbels had dishonored.

WAR DECLARED... As guest on a "Hobby Lobby" program early in August, 1939, Williams told Lowell Thomas that Europe would be embroiled in another war by September 6. England and France declared war September 3.

STALIN SIGNS WITH HITLER...As early as June 20, 1939, Williams predicted the about-face in Russian foreign policy which made possible Hitler's aggression in Poland after war was declared.

DENMARK INVADED...On Feb. 28, 1940, Williams predicted the invasion of Denmark within a short time. Denmark was invaded April 8.

Williams will be heard Tues. and Thurs. 9-9-40. "77" IS BACK AGAIN. (See Page #3) 100-530 - 7/1 9-9-40. Thurs. 8 to 8:15 e EDST

MEMORANDUM FOR MR. TOLSON

Isadore Slavin, who apparently is interested in the Anti-Defamation League, called upon you and indicated that there was some difference which existed between the Anti-Defamation League and our Chicago Office. Mr. Slavin indicated that he had talked to Harry Elhman, a Chicago representative of the Anti-Defamation League.

This is the first information which we have had indicating a lack of cooperation and accordingly I talked to SAC Devereaux who informs me that he has lunch once or twice a week with Miles Goldberg, the head of the Anti-Defamation League and also is well acquainted with Richard Gutstadt. He stated that definitely they have fine cooperation and accordingly I told him in the near future to casually mention that information had come to our attention that some people believed that we were not cooperating, that apparently this information had come from Mr. Harry Elhman. I told him to also endeavor if he possibly could to talk to Elhman personally. He stated he would do this.

Respectfully,

L. B. Nichols

## SPECIAL NOTICE TO ALL JEWS!

*ONE FIVE*

The Central Conference of American Rabbis, at the 47th Annual Conference, held in New York on June 26th, 1937, declared for "Exemption of Jews from military service in accordance with the highest interpretation of Judaism".

*f*  
*mg*

Our Talmud tells us "When you go to war, do not go as the first but as the last, so that you may return as the first".

*L*

Why should we, the only truly international people, be concerned with the mutable interests of stupid Goyim nations? We must do everything in our power to help the great President who has helped us so greatly in establishing control. Support the draft law when it is presented to the American people. Support England and France, for they are fighting Judah's greatest enemy, the Goyim German state.

You are urged to support United States participation in this Holy War of Judah, without reservation and without fear. We can repeat our triumphs of 1918 if we maintain our united front, and the dumb Goyim will fight while we profit, with the aid of our friend in Washington.

Powerful Jews will be on all Draft Boards, and Jewish physicians will protect you from military service. Arrangements are already made to exempt you, in case religious exemption cannot be prepared in time.

You are warned to renounce, abjure, repudiate and deny any of this information if questioned by Gentiles, even under oath, as outlined in the Talmud, and justified for the preservation of our race.

MEMORANDUM FOR MR. TOLSON ✓

I recently talked to SAC Devereaux  
on Isadore Slavin and one Ehlman.

You will recall that Slavin called upon  
you and indicated that the Bureau wasn't cooperating  
with B'nai B'rith and the Anti-Defamation League.

Paul Richman told me that no individuals  
by this name was well known in Chicago.

Later this afternoon Devereaux called  
stating that he had talked to you about Slavin  
yesterday and he has since talked to Slavin and  
Ehlman who are with the American Jewish Congress,  
headed by Rabbi Wise, which you will recall is the  
Zionist movement. In the course of the conversation  
it was pointed out that Sam Poyale who had contacted  
the Chicago Office and furnished information reported  
back to the Bureau and they would not give him  
reports of what was being done. This individual,  
according to Devereaux did not appear to be a very  
high type of person. Devereaux pointed out that  
the Bureau did not give reports of its activities,  
whereupon they countered that that is the way they  
deal with the police and indicated that if the Bureau  
did not want to cooperate in this manner that might  
not want to play ball.

I told Devereaux that when he met with  
this group again he should not pull his punches and  
we are operating the Bureau and will continue to  
operate it as in the past and while it might be  
possible to furnish them with some information  
informally, we certainly could not bind ourselves  
with any agreement.

I received a visit from Mr. Miles Goldberg, head of the Anti-Defamation League at Chicago, Illinois. Among other things he informed that a man by the name of Ehlman of Chicago had told one Issy Slavin that there is no cooperation between SAC Devereaux in Chicago and the Anti-Defamation League in that City. Mr. Goldberg said that this was entirely a misstatement of the fact, that there always has been the best of cooperation between the two offices and he wanted to be on record as furnishing this information.

Mr. Goldberg advised me that he has a list of the original members of the League of the Friends of New Germany from several of its locals in various parts of the United States. He said that he is having his men ascertain the present location of these individuals, after which time all information will be furnished to SAC Devereaux in Chicago.

Respectfully,

  
K. R. McIntire.

Dear Sir

Reference is made to telephone conversation had by the writer with Mr. Nichols of the Bureau, as well as with Mr. Tolson, concerning information supposedly furnished by Izzy Slavin to the effect that this Office has been uncooperative with the Anti-Defamation League.

I wish to inform that contact has been had with Izzy Slavin, as well as Harry A. Ehlman, who is the source of Mr. Slavin's original information. Mr. Ehlman is in no way affiliated with the Anti-Defamation League or the B'nai B'rith. He is, however, on the Board of Directors of an organization known as the American Jewish Congress, 8 South Dearborn Street. This group more or less fashioned itself after the Anti-Defamation League and concerns itself supposedly with subversive activities.

Mr. Ehlman informed the writer that for the last three years Mr. Pollyea, the Executive Secretary of the American Jewish Congress here in Chicago had been contacting this Office. Mr. Pollyea had made the complaint to Mr. Ehlman that this Office had been uncooperative in that it did not report back to the American Jewish Congress results of the Bureau's investigations. Mr. Ehlman stated that he felt an organization such as the American Jewish Congress certainly warranted that sort of consideration - namely, that any information furnished should be added to by the Bureau as a result of any investigation that might be conducted.

It was explained to Mr. Ehlman that this Bureau could not cooperate to this extent, but that any office of the Bureau would be more than happy to accept any sort of information the American Jewish Congress might like to submit.

Arrangements have been made whereby the writer will confer further with Harry A. Ehlman and Samuel Pollyea.

I might state that Harry A. Ehlman is a retired clothier and while his manner is not discourteous, he does have a pushing personality which is somewhat irritating.

In the event there are further developments in this matter the Bureau will be appropriately advised.

Very truly yours

MEMO FOR ALL SPECIAL AGENTS

Re: ANTI-DEFAMATION LEAGUE  
CONTACT LIST

Reference is made to the letter from the Chicago Office to all Field Divisions except San Juan and Juneau, dated September 20, 1940, in the above entitled matter.

It was noted that arrangements were made by the Chicago Office with Mr. MILES GOLDBERG, Secretary of the Anti-Defamation League, B'nai B'rith, Chicago, Illinois, whereby that organization furnished the Chicago Office with the names and addresses of their personal contacts and sources of information throughout the United States. There was enclosed with the letter from the Chicago Office a list of the representatives of this organization in the State of Virginia.

As it appears especially desirable to have the representatives in the State of Virginia of this organization contacted in order that they may be encouraged to contribute information they may possess concerning individuals or organizations operating in this territory which concerns the national defense, there is being listed below the names of the members of this organization in the State of Virginia, together with their addresses and opposite the name of the individual or organization will appear the name of the agent who has been designated to contact each representative.
